

SE2 meeting protocol

Kamil Grabowski, Filip Grajek, Ivan Rukhavets

Mar 15, 2017

Issues handled this meeting:

1. Accepted current XML message parsing/sending method
2. Command line options parsing code review (result: current is good)
3. Discussion: name change from AsynchronousClient to GameMaster (not resolved)
4. Discussion: unit tests
5. IConnection interface reduction (result: will be performed when needed)
